## 1. Title

Powering Up Finance with Zoho Books – A Kratos Success Story

## 2. Overview

- Kratos is a leading energy and power solutions provider focused on innovation and growth.
- As business scaled, financial operations became harder to manage manually.
- The team needed a robust accounting platform to streamline billing, GST compliance, and inventory.
- EVA Software Solutions was chosen to implement Zoho Books tailored to Kratos's business needs.

## 3. Executive Summary

- Kratos faced challenges with invoicing delays, manual data entry, and tracking payments across channels.
- EVA Software Solutions implemented Zoho Books for end-to-end automation of accounting tasks.
- The setup included sales and purchase modules, inventory management, and GST filing support.
- Post-implementation, Kratos gained real-time visibility into finances and reduced manual workload.

## 4. Problem Statement

- Manual accounting processes were time-consuming and prone to errors.
- No central system to track sales, purchases, and inventory in real time.
- Invoices and payment follow-ups lacked automation, slowing cash flow.
