Successful Implementation of Zoho CRM & Zoho Books for Owsum Cars

1. Title

Driving Efficiency and Automation with Zoho CRM & Zoho Books

2. Overview

Owsum Cars is a leading multi-brand car dealership in Mumbai dealing in new and pre-owned cars, insurance renewals, and after-sales services. To streamline customer management, insurance renewals, and financial operations, EVA Software Solutions implemented Zoho CRM and Zoho Books for seamless automation and tracking.

3. Executive Summary

EVA Software Solutions provided a unified system through Zoho CRM and Zoho Books that automated enquiry tracking, renewal reminders, commission management, and branch-wise accounting. The integration of both platforms empowered Owsum Cars to manage sales, insurance, and finance with complete visibility and accuracy.

4. Problem Statement

- Manual tracking of new enquiries and car insurance renewals.
- No systematic reminder system for birthdays and insurance renewals.
- Difficulty managing multiple branches' sales and reconciliation.
- Lack of clarity in commission and accounting reports.

5. Proposed Solutions

- Implemented Zoho CRM for enquiry, lead, and insurance renewal tracking.
